LOCAL INTELLIGENCE.

MATTERS IN BRIEF .- Darnell & Foltz will open their Photograph Gallery in Charlestown again. Wait for them. Notice will be given in this paper

West street, north of Main, is being macadamized by the corporate authorities.

Weirick & Weller received last week another car load of Champion Wheat Drills. Mr James W. Butt has completed an addition to the dwelling of Mr. D. S. Hughes. Our office force return thanks to Mr. S. S Dalgarn for a treat of peaches last Fri-

The thermometer ranged from 99° to 105° in Charlestown the early and middle portion of last week.

Mr. Wm Bunch, the man who accidentally shot himself at Patterson Station, on the S. V. R. R, a few days ago, died from his wound

A steeple chase, a brilliant tournament, and a bycicle contest, are to be among the attractions at the coming Hagerstown Fair. See advertisement.

The newly improved store-room of Mrs. C F. Thomas - carpenter work by Mr. H. D. Rust, and painting by M: Wm. Kimesis handsome and commodious. The long and severe drouth in this section

was broken on Sunday afternoon, by a welcome shower, which it is trusted will be speedily followed by other refreshing rains Among the candidates recently passed for

admission to West Point Military Academy, is Wm. Edward Craighill, (son of Col. Wm. P. Craighill.) of Baltimore, and grandson of Wm N. Craighill, E-q, of this place.

Messrs. L. R. Finnell & Co. have pur chased the mercantile stock of Mr. J. Shirley Smith, and removed to the stand of Mr S. corner of Main and Charles streets, where they now offer their customers and the publie a full stock of everything in their line.

The Rev. Mr Tackett, in behalf of the Mt. Hope congregation, desires us to return thanks to the Masonic fraternity, to the Choir of Marvin's Chapel, and to all who aided in the success of the corner-stone laying of the new Mt. Hope Church last Thurs-

Mr. J. C. Holmes has creeted a new freight depot at Berryville, and is putting up a new depot at Sharpshurg, for the S. V. R. R -tin roofing of both by Messrs. Duke & Gallaher. Mr. Holmes has also be gun the erection of the new hotel for Mr Geo. W Green, at Harper's Ferry.

The colored people of Berryville, Charles town and other intermediate points to IIs gerstown, will have an exentsion to Harrisburg, Pa., September 15th, via the S. V R R Fare for round trip from Charlestown, \$1.85 The excursion will be under the control of the Rev. C. H. Miner, of this

A Pienie at Island Park on Thursday, September 22d, under the anspices of Shen andoah Lodge, I O G. T. to which neighboring lodges are invited, as well as the publie generally Round Trip from Charlestown via B & O at excursion rates Remember the Bisket It will be an occasion especially favorable for families to enjoy themselves

Mr James M. Anderson, an employee . the B & O R R Co, and son of Mr W E. Anderson, was accidentally caught under the wheels of a loaded hand ear, at Harper's Ferry, on Monday of last week and had his right foot and leg hadly beerated. He was put under the professional care of Dr. B B Ranson, and is since doing as well as can be expected under the circumstances

The Rev Dr. Churchill Gibson, of Peters burg, Va. preached in the Episcopal Course, and the Ray, Dr. Huntington, of Washington, in the Baptist Church on Sunday morning last. No services at the Pres byterian Church, in consequence of the ab sence of the pastor, Rev. A. C. Hopkins at meeting of Pre-bytery at Oak and The only service at night was at the M. E. Church South, where the Rev. J W Tongue

The corner stone of Mt Hope Southern Methodist Church, was laid with due Masonic honors on Thursday last, by Malts Lodge, No 80, A , F & A M , of this place, assisted by members of Jefferson Lodge, of Kabletown. District Deputy Grand Master Gustav Brown, of Malta Lodge, acting Grand Master, officiated, and the exercises were varied by singing by a choir from Clarke county, and prayer by the Rev. J W. Tongue The dinner and refreshment tables of the ladies, of whose committee Mrs. Benj Beavers was the worthy President, were liberally patronized, and the handsome sum of about \$140, we under stand, was realized toward the erection of the new church building Mt Hope Church is located on a beautiful knoll in the words of Mr. Samuel Middlekauff, (by whom the ground is given,) a short distance this side of Mechanicstown, on the Bloomery turnpike, and about two miles from Charlestown The building will be in size \$0x50 teet. The foundation is being constructed by Mr. Wm. Mock, and the upper walls of the building will be built of brick, by Mr Levi Baker. The people of the Mt Hope community are among the most thrifty and liberal-hearted of our county, and are deserv ing as they are assured of a handsome and comfortable church edifice Contents of the Box: Copy of the New Testament, name the Minister in charge of this Church, names of the Trustees of this Church, names of the Trustees of this Church, names of the Officers and Members of Walta Lidge, No. 80, A. POTOMAC, Ammoniated Dissolved Bone Phosphate.

Highly Ammoniated Dissolved Bone Phosphate. Dissolved Bone Phosphate. FERTILIZING MATERIAL OF ALL KINDS.

VIRGINIA.

Warranted Pure, and Free From Adulteration.

MANUFACTURED BY

Lippitt & Co.,

Charlestown, West Virginia.

We offer again to the Farmers of Jefferson County, and to our neighbors of Virginia, West Virginia and Maryland these well established Fertilizers.

Pertilizers.
The County of Jefferson was known as the "Banner Wheat-Growing County" of the Old Commonwealth of Virginia. Statistics in the days before the war having shown that she produced more wheat to the acre than any County in the State.

By good Farming and better Fartilizing old Jefferson will even surpass her ancient record. If farmers will look to the farming, we will pledge ourselves to supply them with RELIABLE HOME-MADE FERTILIZERS. Read below letters from a few of many well-known farmers of ters from a few of many well-known farmers of Jefferson, Maryland and Virginia:

Jefferson, Maryland and Virginia:
Charlestown, July 14, 1889
Messrs. Lippitt & Co...
Gentlemen - In response to your enquiries, I will say that your Potomac Fertilizer used by me last fall gave me entire satisfaction. I used about 200 pounds to the acre and have threshed and sold 22 bushels of Prime Wheat to the acre where it was used. I shall use it again this fall.

JOHN F MYERS.

Charlestown, July 16, 1880.

Charlestown, July 16, 1880.

Geothemen—I need last fail, two tons of your Shenandoah Fertilizer. In my seeding, it drilled to my entire satisfaction, and my yield of Wheat to the acre was the largest I ever raised I intend to use it this fail. Respectfully yours, G. H. TURNER. Kubletown, Jefferson Co., W. Va., July 21, 1880.
Mesers. Lipput & Co., Charlestown:
Gentlemen-I used a large amount of your
"Shenandoan Ammoniated Bone Phosphate"
and some "Potomac" het fail on my wheat. and
with a very satisfactory result. I consider them
equal in every respect to either "Turner's" or
"Bradley's." both of which cast more money.
Yours truly, LOGAN OSBURN.
Charlestown, July 16, 1880.
Messre. Washington & Lippitr.
I have used your Shenandoan Fertilizer by
the side of two other good fertilizers, and I can
say it did equally as well as either of them. It
drilled better than any I ever used.
Respectfully yours. AUGUSTINE CAIN.
Harewood, near Cameron's Depot, Jeff Co., ?

Harewood, near Cameron's Depot, Jeff Co., July 1890.

Messrs. Lippitt & Co.,
Gentlemen—I used your Shensadoah Ammoniated Bone Phosphate on my Wheat last fall.
I have returns from my crop, which yielded me 24 bushels per acre on one field, and 25 bushels per acre on another where I used your "Shensandoah." I used other fertilizer and prefer yours. Will use it catirely this fall on my farm.

Yours truly, JOSNA. WASHINGTON.

Charlestown, Laby 29, 1880.

Charlestown, Jaly 30, 1850.

Charlestown, Jaly 30, 1850.

Messrs. Lippitt & Co.,

Gentlemen-I used your "Shenandoah" Fertilizer has tail, together with three other kinds.

The Shenandoah raised me decidedly more wheat than any of the others, and I shall use it slone this tall. I also used in the fall of 1878, some of your Chicago Ground Bone, with fine effect on Wheat and Grass. I found the grass upon which the Bone had been used continued green and vigorous, whilst cleewhere it was parched to the ground JOHN H. HALL.

Charlestown, July 30, 1880.

Messrs, Lippitt & Co.,
Gentlemen—I used your "Shenandonh" Fertilizer on a very to in field, 175 pounds to the acre.
I have threshed 15½ bushels of Prime Wheat to the acrs. On a small portion upon which I used no Pertilizer as an experiment, I am satisfied the yield was not II bushets to the acre.
Yours truly. JOHN SELDEN.

Yours truly,

Berreville, Va. July 22, 1880.

This certifies that I used Lipnit & Co.'s Fertilizers last season at the rate of 200 lbs. to the acre, and am well pleased with the result.

C. F. CASTLEMAN. Charlestown, J. ff. Co., W. Va., July 80, 1880.

Charlestown, Joff. Co., W. Va., July of Assers, Expert & Co.,
Gentlemen - I used two tons of your "Shenandonh Ammoniated Bone Phosphate" last fall with very satisfactory result. I found the wheat stood the drought better than where I used some other brands. I have threshed the wheat and it made 25 bushels per acre on ordinary land. I used 150 pounds per acre. I expect to use it again this fail Your respectfully.

JOHN BURNS.

Charlestown, Jeff Co., W. Va, July 31, 1880.
Mesers, Lappitt & Co.,
Gentlemen-I need two tons of your "Potomac Dissolved Phosphate." I am in every way pleased with it. I have not threshed my crop yet, but am satisfied it is the best crop I have had for several years. It drills well, and I shall use it again. J. H. SMITH.

Yours truly,

Farmwell, Londoun Co., Va., July 17, 1880.

Messrs, Linpitt & Co.,

Gentlemen - In reply to your asking for the result of your Fertilizer (Shenandonh), I will simply say that I am more than pleased with it. I used of it from 140 to 150 lbs., side by side with Your's, of which I used from 160 to 170 lbs., and the yield of yours was nearly double that of Moor's, which in our part of the country is considered among the best that is used. You may send me Ten Tons of it this fall.

Respectfully yours,

W. C. SELDEN.

Jefferson County, W. Va , July 22, 1880. Gentlemen - I used two tons of your fertilizer.

"Potomac" brand. It was satisfactory, my
wheat yielding well and of excellent quality.

Respectfully, RP CHEW. Charlestown, July 3. 1880.

Charlestown, July C.

Messrs. Lippitt & Co.,
I used your Scienandoah Ammoniated Bone
Phosphate on my wheat. I used other Fertilizers and was better pleased with the Stenandoah than any I used. It gave me a good crop,
and I intend to use it again.

G. W. MARLOW.

Kabletown, Jeff. C., W. Va., July 15, 1880. Rabictown, Jell. C., W. Ya., July 10, 1000.

Measrs, Lippitt & Co.,

Gentlemen-I used your "Shenandean" and
"Potomac" Fertilizers on my wheat this eason,
As compared with other higher priced Fertilizers. I am well pleased with it. It drills well,
and I consider the aveillant article. onsider it an excellent article.

JOHN KABLE. Yours truly.

August 9th, 1881. Gentlemen-I used your Sienandoah last seasoa with great satisfaction. Though the season
has been unfavorable and wheat not yielding
well. My wheat made me 17 lustleds to the
acre w'ere I used your Fernilizer, and it is of good quality. I expect to use it again this fall.
It drills well Respectfully yours.
GEORGE W. ENGLE.

Summit Point, W. Va., Angust oc.,
Messr., Lippit & Co.,
I used your Suengandoah Phosphate this season
and am much pleased with its results. My
wheat yielded 23 to 25 bushels to the load, with
125 pounds to the acre. On a portion of land,
where for experiment I applied from 250 to 300
bounds to the acre, the wagon loads yielded 33
bushels each, on thin coin land wheat.

JOHN L CARTER.

Mansfield, Clarke County, Va., July, 1880. Messis, Loppitt & Co., Gentlemen - I used your 'Shenandoab' last fall on my wheat, by the side of other and higher priced articles. It gave me entire satisfac-tion. It dril's well, and I intend to use it again. Yours truly. WM. B. PAGE. Boyceville, Clarke Co., Va., July 23, 1550.

Boyceville, Clarke Co., Va., July so, Mesars, Lipput & Co., Genilemen - Ins.-d one ton of your "Shenandoah" Phosphate last fall, together with five other brands, and this kithe yield of straw equal if not alread of the others. I have only threshed a part of my crop. so cannot give the yield grain. Very respectfully, R. P. PAGE. We can' special attention to the Mechanical condition of our Fertilizers.

Distant orders filled with dispatch. Farmers! Farmers!

I offer you this year, 1881, the following well-known Brands of Phosphates—Certificates being unnecessary, as the farmer knows well their value by years of trial.

PACIFIC CO.'S BRANDS. Soluble Pacific Guano, and Dissolved Bone Phosphate of Lime.

This Brand is better known as John S. Reese & Co.'s Celebrated D. B. PHOSPHATE.

> P. ZELL & SON'S BRANDS Ammoniated Bone Super Phosphates,

'Economizer' and Dissolved Bone Phosphate. Zell's Phosphates are too well known to require recommendation, as they have been sold here for the past 12 years and are termed by the farmer the Sure-shot for Wheat.

> J. TYSON & SON'S BRAND, Of Frederick, Md. Tyson's Super Phosphate.

PATAPSCO CO.'S BRANDS. Potapsco Ammoniated Soluble Phosphate, Grange Mixture, Dissolved S. C. Bone, Alkaline hosphate, and Buck's 1-2 and 1-2 Bone and Alkaline.

BRADLEY CO.'S BRANDS. Bradley's Patent Super Phosphate of Lime, New Method Phosphate, and Circle Bone Phosphate.

Pure Ground Bone. Give me a call before buying. Respectfully, &c., R. A. Alexander. Office in Gibson Building, Court-House Yard.

CHAMPION OF THE WORLD! The Champion Grain Drill!

THE undersigned having received the Agency of this Celebrated Grain Drill for Jefferson County, and having now on hand a supply of these Drills and a full line of Extras, in case of reakage, so no delay can possibly occur in time f seeding. We offer this Drill to the farmers of Jefferson on favorable terms, and do not fail examine the Champion before purchasing a Grain Drill, as it is beyond doubt the most important one of all the farm implements, a good Drill.

A FEW OF ITS MERITS: Positive Force-Feed Grain Distributor, and Pos-itive Force-Feed Grass Seeder, which can be used either in front or rear of the hose. The Fertilizer Attachment is unequaled, and is Warranted to Sow Essily and Evenly any of the warranted to Sow Lastly and Evenly any of the various kinds of Phosphates in the market.

The Champion is the only Grain Drill in the market that has a Special Attachment for Planting Corb for the crop.

The Champion is Simple in Construction and The Champion is Simple in Construction and Easily operated both for team and driver. The material used and quality of workmanship are the Very Beat Every Drill Warranted to give Satisfaction or no sale.

Below we give yous few of the Practical Farmers names who have purchased from usand used last year Drills, to whom we refer: last year Drills, to whom we refer:
John Burns, Charlestown; Wm. Rider, Halltown; Phillip Powers. Ripon; Moses W. Trussell,
Leetown; Lewis H. Nichols, Halltown; John W.
Tayanes, Charles Tavener, Charlestown.

We also have secured the Agency of the Cel-

Roland Chilled Ploughs, for Jefferson County, which has the Turn Over Point, which gives many advantages over the old kind. We also have on hand a Large Stock of the Old and Reliable

SUNFISH. Call at the Foundry and Machine Shop before weinchasing. Charlestown, August 2, 1881. CANVASSED HAMS, very fine, just received S. S. DALGARN. A LL the new Patent Remedies and old ones,

HARPER'S FERRY TRADE. SALT AS A FERTILIZER.

THE value of SALT as a FERTILIZER being as yet only imperfectly understood, the undersigned desires to call the attention of Agriculturists to the testimonials which he will submit for their perusal from time to time, as received from some of the most success Parmers of this construction who have used it. By them it will ceived from some of the most anccess Farmers of this country who have used it. By them it will be seen that Salt is one of the best, and at the same time the cheapest Ferbilzers that can be applied to land. In order to enable every one to give it a trial, I am offering PURE LIVERPOOL GROUND ALUM SALT at very low prices.

Information regarding prices, &c., will be furnished upon application, by mail or otherwise, to JAMES McGRAW.

Another correspondent says: "We have just finished threshing out our oais, and find a very satisfactory yield, having 670 bushels, thresher's measure, from fourteen scree of ground. The oats weigh forty-one pounds per bushel, as measured from the machine. This would make 858 bushels of marketable cuts. Four acres of these oats were after a crop of pointoses, on sod of the year before, which was plowed in the spring and drilled in the ordinary manner, having fitty lbs. of plaster to the acre, applied immediately before drilling. This four acres was just a fair piece of oats, and would not yield over fifty bushels per acre. The other ten acres was a clover sod, and turned over about five inches deep late in November, 1878, and in the spring was well cultivated with a spring-tooth harrow, and immediately before drilling the oats 180 lbs. of god salt and 50 lbs. of plaster to the acre were applied, and the oats drilled on the 28th day of April, with 3 bushels of oats by weight, to the acre. These oats on which I put the salt came up remarkably fine and looked thrilly all summer. One ma a said the leaves looked more like corn than cate.' The growth was heavy and the straw was tall, yet they stood up well and were all cut with a reaper, and this field must have yielded sixty five bushels to the acre. for surely the four acre field could not have yielded thore than fifty bushels to the acre, or 200 bushels in the aggregate, and taking this frem 858 bushels would leave 658 bushels as the yield of the ten acres, or 65 8 10 hushels per acre. This would not be considered a very good yield on timbered land, or on heavy land well adapted to raising oats, but on our leamy, onening land, I think forty hushels may be considered an average yield and fifty a large crop.—My convictions are, that to the use of salt can be assigned the additional yield of 16 bushels to the acre."

FERTILIZERS.

E have converted our Funkstown Mill, with its immense Water Power, into a first-class Bone Mill and Fertilizing manufactoring establishment. By grinding with water power we can brat the State for economical work. Our power is ample, and we are producing a Bone Meal that contains double the Flour of Fone produced by any other mill in the county. In offering to the Farmar our goods we guarantee them as represented in every respect.

PRICES:

Pure Buffalo Bone Meal, \$38.00 per ton Pure Domestic " " 36 00 " Pare Dissolved " " 39.00 " Our Ammoniated Bone Phos-

phate, the bulk of which is Dissolved Bone, 85 00 " Our Excelsior Phosphate, £3 00 ···

The highest grade of South Caralina Dissolved Bone, 25.00 " Farmers can rely upon any of these goods being as represented. If they should be found adulterated we will for feit the goods.

The above prices are se low as honest goods can wold. Beware of goods offered at lower prices. We buy in 100 ton lots for cash, and have the these goods at a small margin. Our mill is always open to your inspection. Give us a call before you buy. We will show you just what you are getting.
